>
> Officers last night counted 61 cars in the TH lot.
>
> We discussed at last BOS meeting that the popularity of this lot is growing.
> I wanted to pass along this update as well as thoughts about future planning due to the increasing popularity.
>
> I.e. Possible parking attendant, more spaces, keeping grass cut low and second bus on busy days so patrons are not waiting for 2-3 buses after sunset.
>
> Just some thoughts.
> Thank you
