

October 20, 1966

The Antrim Planning Board met on Thursday, October 20, 1966 at 7:30 P. M., in the Selectmen's Office - Town Hall.

Present were - Byron Butterfield, Chairman, Harold Grant, Howard Humphry, Charles Gilmore and Robert Flanders who check in late, for just a few minutes.

The Secretary's Report was accepted as read.

Harold Grant and Howard Humphry will attend the meeting in Concord sponsored by the University of N. H.

It was reported that New Hampshire is the fastest growing State in New England and will continue to be for the next ten years.

Suggested area to be developed in Antrim - Pleasant Street property owned by Mr. Bryer.

A party is interested in buying and starting a development next Spring. There are about 39 acres in this lot.

We should make quite sure that some undersirable project does not get started in the Bryer development. It was suggested that members of the Planning Board go to Mr. Bryer and find out how much he wants for the whole acreage.

Howard Humphry moved that the Planning Board contact Mr. Bryer, tell him what our plans are and ask him how much he will take for this land.

Seconded by Charles Gilmore.

It was so voted:

Charles Gilmore and Howard will attend to this and report the results at the next meeting.

Howard Humphry will spend some time with Roger Hilton about the land for a road - West Street.

Howard Humphry brought up for discussion the Christmas lighting for Main St. The Planning Board asked Charles Gilmore to check with the Selectmen and find out if they have any money to buy the lights with, if so, the Chamber of Commerce will do the work of putting them up.

Before the next Town Meeting we must have a map of Antrim to put in Town Report. We must also ascertain how much this will cost.

Howard Humphry and Harold Grant will report on the meeting in Concord at the next meeting of the Planning Board.

The meeting adjourned at 8:55 P. M.

*Medrid Dudley
Secretary*
