

Antrim, N. H.
May 18, 1967

A meeting of the Antrim Planning Board was held in the Selectmen's Office, on the above date. Present were Byron Butterfield, Harold Grant, Charles Gilmore, Robert Flanders Howard Humphry and Mildred Dudley. The meeting was called to order at 8:00 P. M., by Byron Butterfield, Chairman.

The March, and April reports were read, also a report of the special meeting of the joint Boards - Hillsboro - Deering and Antrim. All reports were accepted as read.

A lengthy discussion resulted re: trailers, mobile homes and trailer parks. We all agreed that we must have some kind of ordinance to take care of this situation in the immediate future before an influx of trailers into the town.

Voted: to call a Special Meeting for a Public Hearing on Friday, June 30, 1967 at which Attorney Douglas Hatfield will be present. The hearing to be published in the Peterborough Transcript and the Hillsboro Messenger starting on May 25th which the Secretary was asked to take care of.

Eleanor Lane has definitely stated that she will be unable to carry out her term of office as a member of the Board. Suggested replacements are:
Theodore Hardwick
Walter Whitney
Stanley Tenney

The members were asked to consider other replacements, including a woman, and bring in their suggestions at the next regular meeting to be held on June 15.

Byron Butterfield suggested a change in the proposed Sub-Division plan . . . i. e. , to read 50' footage instead of 40' (this applies to width of streets). Anything less than a 50' street will not be eligible for State funds should we need them.

Discussion of further plans on the proposed Sub-Division will be left until a later date - probably Fall. We will now concentrate on the trailer ordinance, which seems to be of first importance.

Meeting adjourned at 9:05 P. M.
