

September 18, 1974

A Special Meeting of the Planning Board was called by the Chairman on Wednesday, September 18, 1974.

All members were present and one invited guest, Robert Flanders.

The meeting was the result of the concern of many Antrim citizens after, what could have been a disastrous fire, in an apartment building on Main Street.

It was the unanimous vote of the Board to direct a letter to the Board of Selectmen advising them of the concern of the people and to bring pressure for the enforcement of all similar violations, such as overcrowded apartments, etc.

It was also recommended that the Selectmen contact the State Agencies to have them meet with the Town Fire Marsahl, and others suggested by the Selectmen, to inspect every multiple building in Antrim.

Mr. Abbott requested the letter be ready, with extra copies for the two Selectmen and for the papers, on Saturday at which time he will deliver them to the Selectmen in person.

It was agreed upon that the letter be sent to the newspapers as a correspondence item.

The Board voted to ask the Selectmen to put an article in the Town Warrant at the next Town Meeting to accept the State Fire Marshal's regulations.

Richard Schacht suggested a meeting with the Planning Board and the Selectmen to see if we can pave the way for the correction and enforcement of existing conditions, which the Board feels the need of proper and immediate attention. No decision was made.

Meeting adjourned 9:30 P. M.
