

March 12, 1975

The Planning Board convened at 7:30 P. M. on March 12, 1975 with all members present with the exception of William Abbott, Chairman

In the absence of Mr. Abbott, Richard Schacht Vice Chairman officiated.

The minutes of the previous meeting were approved as read with one exception, William Stacy corrected to read Norman Stacy.

We again discussed the possibility of having a bulletin board for Town use only and the suggestion was approved that the board be made of cork and installed with an appropriate frame in the front window of the Planning Board office. If this does not conflict with the Selectmen's ideas; the Planning Board will use some of their funds to pay for this service to the Town, which, we hope will facilitate communications.

We need counsel advice re: Article #25 in Town Warrant,. We would like to know if we can amend this Article at Town Meeting with other than a 2/3 vote and a Public Hearing. This Article appears to be an amendment to our zoning laws.

A letter from the Telephone Co. requesting permission to enlarge their building on West Street, was referred to our Building Inspector.

Harold Grant was recommended by the Planning Board to the Selectmen to serve on the Board of Adjustment. Charles Gilmore requested his name be removed because of overload of work at this time.

Meeting adjourned at 8:45 P. M.

After the meeting Dick Schacht asked each one to spend a little time thinking about "Eastman" and we will discuss it at our next meeting.
