Public Hearing on Highway Relocation

The Board has received notice of a formal public hearing to be conducted by Executive Councilors on July 6 at 7:00 p.m. in the Little Town Hall. The subject is the proposed relocation of Route 202 to eliminate the dangerous curve just south of the Goodell Road intersection.

Economic Development Section of Proposed Master Plan

A draft of this section had been sent to Board members by the Chairman in late April. A few comments have been received which will be incorporated. It was suggested that the proper management of Antrim's forest resources be included in the section. The high percentage of wooded land in the Town offers good economic prospects.
