MINUTES OF THE ANTRIM PLANNING BOARD -- August 29, 1986

Present: H. Goodwin, J. Jones, W. MacCulloch, M. Oldershaw Sr.,
R. Reinstein, R. Zwirner

Absent: B. Kierstead, P. McClintock, R. Watterson

The Board discussed a few names as possibilities of becoming members of the Antrim Planning Board. Goodwin, the acting Chairman, will contact these people to see who may be interested.

Andre Lazar, who owns property on Main Street and Summer Street, presented the Board with a small drawn up plan on an abutting lot to his property which is on Summer Street. The lot is between the canal and the river and is 52' x 108'. Mr. Lazar was asking about a variance to build a house 48' x 28' on this lot even though it would come close to the property lines. The Board referred Mr. Lazar to the Board of Adjustment for his variance.

The Board corrected and approved minutes from the previous meeting.
