

Minutes of the Antrim Planning Board meeting September 2, 1999.

Present: Ed Rowehl, Chairman; Hugh Giffin; Dave Essex; Spencer Garrett; Alternate Fred Anderson and Alternate Bob Bethel.

Chairman Rowehl read a letter received from Attorney Hatfield regarding Donald Knapton – Cluster Housing Development in the LakeFront Residential District. The Board reviewed the latest Master Plan update and Construction Materials. Each member will review the handouts and they will be discussed further at the next meeting.

The Board received a notice of lot merger from Jon Russell 10 Trillium Trail. It was determined that this application is incomplete and the owner will be notified.
