

Selectmen's Meeting August 8, 1977

Corliss, Norman & Mary-----per letter 7/25/77

Dziedziec, Stanley -----about condition of Masquanipi Drive

If the Ralph Whittimore/Charles Bean problem is to be followed through there should be a notice in the paper this week

Telephone Company manager spoke to Emery about the traffic light at the North Branch Fire Station. His letter 7/6/77 They will need a flagman

Lloyd Henderson asked me to report that he has talked to a lawyer in Nashua about the Antrim-Bennington Bridge. A group of people from North Bennington will be trying to reopen the issue and the Antrim Board of Selectmen will be receiving a notice of insufficiency in a couple of weeks.

Isabel Nichols would like to know if the backstairs will be fixed by Friday, they will be moving a piano Friday afternoon and they think that it would be easier to take it up the back way if the stairs are fixed.

Mention to Merle that the chairs should be moved down from the school the 15th, Monday next week.

Mary Griffin asked me to relay her complaint about the mess across the street from her house. (the Cottrell's) She said that they are running a used (junk) car business in a residential neighborhood.

Mr. Spofford, Department of Natural Resources, Concord, would like to have a Selectman available Tuesday or Wednesday August 9 or 10 to view the properties that the Town hopes to schedule for landtaking. Please call and confirm
271-3627

Lloyd Henderson asked me to report that in answer to a query by Emery Doane the Davis/Bacon Act applies on all appropriations if 25% or more of the money comes from Revenue Sharing. He can see of no way to get around it, all wages must comply with the minimum wage law.
