Tax Collector's Tax Sale will be Saturday August 27, 1977. At least one Selectman should be present, prefferably more.

Willard Dik asked me to bring the fact that the beagle dog at the Eaves place on Clinton Road is always barking and chasing children on bikes. He said that he bothered a man on a motorcycle this morning and he doesn't know but what the dog did some damage. Mr. Dik claims that the dog is left alone a lot and Mr. Dik believes that he could be vicious.
