

Minutes of Selectmen's Meeting 11/28/77

All three Selectmen present, Eric H. Tenney, presiding.

Maurice Cutter, Chairman of the Town Barn Committee submitted a proposal to the Selectmen, an article will be prepared for the 1978 Town Warrant.

Earl Brady of Bridal Road requested a street sign and asked about opening the road right through to Smith Road. Later this evening Mr. Brady called the Selectmen and told him that the Francis' who live at the other end of the road have no desire to have it opened.

Merle Aborn, Road Agent discussed his equipment with the Selectmen it seems that the sander is not working very well on the Surplus truck.

It was reported that Bob Dunlap will be fixing the fire station tomorrow.

A letter was read from Frank Giamette, a candidate for the Coordinator's position for the street identification and house numbering project, a CETA Project, declining the position on the grounds that an individual who feels he should have it because of his financial position should have it.
