

Selectmen's Minutes, Meeting Monday, Aug. 3, 1981

Selectmen met at 7:15, meeting came to order at 7:30

Present: Paul Mercier, Chairman, Katherine Ring, Leslie MacNeil
Betty Shaw, Secretary.

Jane Miller was sworn in as a member of the Library Trustees.

K. Ring explained the problem with the deed to Alolph Bares land. A new one will be looked into with Lloyd Henderson. Deed was not properly recorded.. It must go through the Planning Board.

Hank Cutter will be given the ok to top off the oil at the end of August when the prices will hopefully be at their lowest.

The estimate on the North Branch station in the amount of \$12,901.80 will be accepted. Lloyd will sign and seal the estimate.

It was decided that the \$10,000 + that is in the general account in Hillsboro will be moved to a possible C.D. Secretary will call the bank and find out particulars tomorrow. and a decision will be made next week.

John Young of Congreve Road was in to speak about the problem he has while exiting his property. He can not see on coming cars and risks an accident each time he leaves his property. He is on a town 6 road. Mr. Young had been in about the problem a few years ago and no action was taken. At first a convex mirror was thought to be a possible solution, but not a total solution since it would be removed in time by mischief makers not aware of the serious problem. Mr. Young is willing to supply gravel if the town will pay for the culvit to help clear the land to make visibility better. but the road still would not be maintained by the town. It was decided that Mr. Young will submit a warrent for next year requesting the town to maintain the road. In the meantime, George Cole will be spoken to and see what can be done to help out.

Charles Rabbideau was in with the tentative bid on repairs on the North Branch fire station in the amount of \$35,000. He was told of the deed problem and also told no go on the estimate submitted. The repair job will go out for bids. Charles mention the fire department has an additional \$1,000 and a possible 3 or 400 more he can count on. With the property now in the Antrim fire department, when the fire trucks park at North Branch they are in effect, parking on the State road.

Charles was asked by Kit Ring if he had received all of Mr. Elia's fire equipment including his badge as Mr. Elia told her. He said everything but the badge was returned to him, never the badge.

Brian Brown was in and discussed the works week and one bill for repair on the cruiser.

Brian reminded secretary that Chris Joseph's increas will be due in next weeks pay check.

It was decided by the three selectmen that Mrs Ashford is to

have her own hook up for the sewer and not have to get any line from Mr. Hiland. George Cole will be called in regards to this in the morning.

Mrs. Ashford owns the driveway and up to the fire hydrant.

Pete Martel was in to speak to Paul Mercier about the trip ;to see the USS Antrim. All material will be mailed to the ship tomorrow.
