

Selectman's Minutes, Monday, February 1, 1982

Present: Katherine Ring, chairman, Paul Mercier, Leslie MacNeil and Betty Shaw, Secretary.

The selectmen met at 7:30 and signed checks & abatements. Bob Flanders and Lloyd Henderson were in to discuss the warrant items, and offer suggestions. The selectmen have decided it would be best to use the revenue sharing received this past year to re-surface some of the roads. This way they can save what is received this year for another project in the coming year.

B. Brown reported that the new cruiser is in and will be picked up within the next week. The present cruiser is off the road for a few days in need of work. Brian hopes to keep it in operation until the roads are clear of sand and salt and then put it up for bids. Chris Joseph was injured in a fight at the college this past week-end.

It has been decided that the selectmen, sewer commissioners and Lloyd town attorney will meet with Pandelena and their attorney on Wednesday February 10 at 2pm in Manchester. At this time, it is hoped they will come to some agreement in order to close out this account.

Secretary is to check with Mr. Dollhouse to see that the gym is available for the town meeting, March 13 at 10:00 am and to request that the gym be heated.
