Selectmen's Meeting, Tuesday, April 23, 1985

Present: Rachel C. Reinstein, John Jones. K. Ring attended a school meeting in Peterborough.

Hank Cutter, Fire Chief, received some bids on the fire truck. Keats, Wyman's and Patsy's International truck. No decision was made at this time. Hank will check further to see if Keats will give a lower figure as they have in the past and since the Town has purchased several vehicles over the past two years, there may be a chance of getting a small reduction.

Bob Varnum, Road Agent gave his weekly report. He has received prices for culverts It would cost \$4,200 for a culvert for Summer St. \$8,000 for one for West St.

N.H. Bitumens will be up Friday to make the patch for the highway department. Truck will not be in until June.

Bob spoke to the selectmen about the Louville, ford truck, it has a plow which is not used for fear of damaging the truck. Bob would like to remove it and see about selling it and use the money for a plow for the new truck. He will try to make a swap. The grader can do the winging. J. Jones and R. Reinstein agreed to his plan. He has someone in mind to do the mowing this summer.

The little roller will need some work. - It hasn't been checked out yet. Smith Road is all set.

Water St., by the stop sign, will be dug out and filled.

K. Ring arrived at 9:00pm. Selectmen and Lloyd have set up an appointment for Thursday morning to get a second opinion on the Town line dispute.

Bob Watterson's permit was approved. Since Bob Varnum requested to be notified of all new buildings, he is to be notified of this permit. Bob Varnum believes all new buildings should be checked out to see where the driveway will be and if there is a need for a culvert. All three selectmen have agreed to this.

Kurt Felsman 's permit was denied. Too close to the road.

Minutes of last week's meeting approved.

Intent to cut for Enterprise I was approved, with a notation that the Town is not liable for class VI roads.

K. Ring will ask some people to walk the Town lines this year.

Estimates are to be gathered on the cost of carpet for the entrance and K. Ring will check to see who will lay it.

Meeting adjourned 10:00
