

Selectmen's Meeting, Monday, August 12, 1985

Present: Katherine M. Ring, Rachel C. Reinstein and John J. Jones.

Meeting was called to order with the Pledge of Allegiance at 7:30 pm.

Checks were signed as well as a building permit for Mr. Gould. Selectmen requested information from Lloyd Henderson before they sign a permit for Mr. Mercier.

Brian Brown spoke to the selectmen about the filing of subpoenas for those property owners who are in violation of zoning. There is a question as to who should write up the subpoenas. Lloyd Henderson or Brian. Brian does not want to become responsible for the making out of the subpoenas. He sees his responsibility in filing them. He will speak to Lloyd about this.

The second dwelling on the Dan Grants' property is being removed. Brian has some pictures of property in violations and will file on those still in violation.

Brian will put an add in two of the papers requesting bids on the old cruiser.

Selectmen talked about the continuation of Revenue Sharing. If it continues through next year, they may decide to put an article in the Town Report requesting monies be used for the needed wiring on the Town Hall. An inspection will have to be made.

Mr. Russell is to be asked to do an inspection of the building and give estimates.

Hank Cutter checked over the wiring with Mr. Peasley, electrician, and voiced concern over the condition of the wiring.

Mary Allen is to check on the drapes in the Town hall. A question as to their need to be fire-proofed has been raised and no answer has been available.

Mr. Caldwell from the Telephone Co. requested permission to change the set backs on the proposed building on Rte. 9. Some complaints as to the location have been received and the Telephone Co. does not want anyone dissatisfied if not necessary. Selectmen saw no problem with the new set back plans. New plot plan attached to permit.

Selectmen received a thank you from the Artesian Well Co. for work performed for the Town.

Minutes as last weeks meeting accepted as corrected.

Meeting adjourned at 9:15 pm.
