Selectmen John Jones, Chairman, Rachel Reinstein and Edwin Rowehl met with Mr. Seavey and Barbara from Bellows Nichols to review the Town's Insurance Policies. Information as to coverage of EMTs is to be checked as well as coverage for Sewer and Water Dept. equipment.

Mr. Millard Smith and Mr. <sup>0150</sup>Lungo met with the selectmen and Hank Cutter, Fire Chief, to discuss renovations on the Antrim Gym. Hank Cutter pointed out construction plans have to meet with the Fire Marshals and the Antrim Fire Chiefs approval.

It was agreed to allow construction to continue while Conval officials contact the State Fire Marshal for approval. Should approval be denied, all renovations will be removed and the building returned to it's original state.

No occupancy will be allowed without the Fire Chief's written approval.
