

Selectmen's Meeting, Monday, August 7, 1989

Meeting called to order at 7:30

Present: Edwin F. Rowehl, Chairman, Rachel C. Reinstein, William Suydam, Madeleine Henley, Elizabeth Shaw.

Wayne Elliott met with the selectmen to discuss the denial of a building permit on his property. His proposed construction does not meet the 50 foot set back. He wishes to build an addition to his garage. Rachel explained the need to apply to the ZBA.

Sewer and Water Commissioners, Eric Tenney, Ben Pratt and Bill MacCulloch met to discuss payments for the use of sewer and water in the town buildings. Bill reviewed information gained from other towns such as the way they charge for sewer and water to town buildings and user fees on hydrants in town. The Antrim sewer and water dept. take care of the hydrants, repairs etc. with no charge as yet to the town.

The Commissioners suggested an exchange of services. Since the sewer and water department will be in need of a new plow it was suggested the road crew plow the water and sewer plant and the two pump stations in exchange for the water and sewer to the town buildings and well as replacing user fees on the hydrants. The Selectmen agreed to consider this offer.

The commissioners and the selectmen agreed to meet once a month in order to keep one another posted. It will make it easier to work together in many areas such as road improvements. Communication is required in order to lay pipes before the highway department makes a road improvement. A meeting will be scheduled for Oct. 2nd.

Revise minutes of July 31 to show the Buckless yield tax abatement was due to no cut being done on the property. Rachel Reinstein moved to accept the minutes of the week of July 24 and the 31st with spelling corrections and the above mentioned addition. Second by Edwin Rowehl, so voted.

Howard Humphrey Jr. requested his name be offer for the School Board. It was explained the School Board replaces members who resign during their term and not the Selectmen.

A check was signed for the final payment of the Fire Station.
PAID IN FULL!!!

Department Heads will meet with the Selectmen next week to give their monthly reports.

Meeting adjourned 10:00
