Peter Beblowski, Dot Penny, and Joe Smith, members of the

total recycling, it will be difficult to fund a complete
recycling center at this time. Dot was concerned that the tax
payers be given the opportunity to vote on the location as well
as the amount of recycling to be done. Phil explained this is
the reason for the special town meeting. To give all tax payers
the opportunity to vote as they wish.
The selectmen and members of the landfill committee will schedule
appointments during the coming week to meet with haulers to get
as much information as possible. A notice will then be sent to
all eligible voters giving them as much information as possible.
A Special Town Meeting has been set for April 1, 1992, at 7:00 PM
