

Selectmen's Meeting, Monday, October 5, 1992

Meeting called to order at 7:00 PM.

Present: Philip Dwight, Chairman, Dave Boule', Michael Oldershaw, Betty Shaw, Secretary.

The Selectmen discussed the assessments made by Avitar.

The Warrant for the collection of taxes was signed as well as the Warrant for the November 3rd election.

Selectmen reviewed the application for the Recycling/Transfer Station. Mike asked that Philip Germain be called in for an interview.

Selectmen interviewed Mr. Germain for the position of manager for the Recycling/Transfer station. Although Mr. Germain is not certified level 3 he is willing to attend classed to acquire certification. Mr. Germain has operated his own recycling business for about three and a half years, therefore has knowledge of the recyclable markets.

The Selectmen expect the position to require a minimum of 21 hours a week.

Mike requested executive session to discuss the candidate's qualifications, pay and hours. Second, Dave. All in favor. So moved.

Meeting reconvened.

Mike moved to appoint Phil Germain as the Recycling/Transfer Station manager. Second, Dave. All in favor, so moved.

Phil Dwight offered the position to Mr. Germain with an hourly pay of \$10.00. He was asked to attend the recycling committee meeting tomorrow evening with the understanding he will be paid for the time spent at the meeting. Selectmen asked if he would also start Oct. 19th. Being a part time position, there are no benefits, but Mr. Germain could, if he elects, pay for health insurance through the Town. Mr. Germain accepted the position with the above understanding.

Selectmen asked that Mr. Germain check over the applicants for the attendant position and give the selectmen his recommendations. Appointments for interviews will be scheduled for Oct. 19th at the regular meeting of the BOS.

Mike moved to accept the minutes of Sept. 28th as written. Second, Dave. All in favor. So moved.

Selectmen have requested at least one more estimate be obtained for sealing the blacktop at the fire station.

After meeting with the Parks and Recreation Committee, Selectmen discussed closing in the area around the bath houses at the beach to be used for storage during the winter. The cost would be minimal.

Men from the House of Corrections are working in Antrim. They cleaned out the basement of the Town Hall and will be working at assorted jobs for the Municipality during the week.

Old regulations governing parking throughout the Town will be turned over to the Police Chief to see if enforcing them will eliminate the parking problem on Main St.

Meeting adjourned 9:15
