Present: Tom Davis, Paula Kulpinski, Peter Moore, Phil Dwight,
Brian Brown and Chris Baker-Salmon.

Meeting opened at 7:00 P.M.

Brian Brown talked to the Selectmen about an incident involving one of the Antrim officers. As a court case is still pending it was agreed that the Selectmen will talk to all involved after the case is completed.

The Selectmen reviewed with Brian the parking situation on Main Street. It was agreed that no changes should be made.

The minutes of the August 7 meeting were approved.

Phil was asked to review the "fire pond" at Route 31 and Gregg Lake Road with Mike Beauchamp. Is it needed? How to repair? Cost of repair?

The Selectmen reviewed the status of tax deeded property. It was agreed that seven of the 8 lots should be sold by sealed bids. No minimum bid would be required but the Town would reserve the right to reject any bid. Date of acceptance of bids would be mid to late September.

Phil was asked to contact the State Highway Department about the paving job on Main Street.

The Selectmen agreed to pay 1/2 the removal cost of a tree on Goodell Road.

Bob Varnum is to be asked to obtain prices to redo the sidewalk on Highland Avenue.

A letter is to be written to the Girl Scouts to notify them that the road/bridge repair needs to be rethought and the project postponed to next year.

The Selectmen signed a corrected Yield Tax for Monadnock Paper Mill.

The Selectmen reviewed their previous decision relative to car damage on a town road. It was agreed that the decision stands.

Peter indicated that the Aiken Committee will meet in September. No agreement has been reached as to how to handle the driveway situation with the library.

Phil is to make arrangements to have the timer for Memorial Park lights repaired and to see if the school parking lights can go on earlier.

Chris Baker-Salmon asked if arrangements can be made for him to purchase the clear glass from the A.R.T.S. Phil will explore what is possible.

The Selectmen will meet Monday August 28 at 6:30 P.M. to discuss Antrim's position on a change in the Conval Funding Formula.

Paula reported her concerns about the Town Gym and the amount of damage. It was agreed that the whole subject should be reviewed as a part of the budget process this fall.

The Selectmen approved the appointment of David Zalewa to the Fire Department.

The meeting adjourned at 9:30 P.M.
