

Minutes of Selectmens Meeting
August 4, 1997

Selectmen Present: Peter Moore, Carol Smith and Philip Dwight.

Also present were Dottie Penny and Mae Lizotte.

The meeting opened at 6 PM with Dottie and Mae presenting a request for \$4,000. to renovate part of the Town Gym to move the Recreation Program space downstairs. Because of the location of the load bearing walls the sections that could be renovated would be limited. Also the bathroom areas could not be changed within this dollar amount.

After discussion the Selectmen decided, reluctantly, that this was a large sum to spend for a minimum change. They asked that a full plan be developed that could be presented at Town Meeting next spring. For the meantime they asked that the programs continue in the current location with what ever modifications are necessary.

The following were signed and/or approved:

Minutes of the July 28th meeting
Intents to Cut: Mulhall and Elliott

Phil was asked to respond to a letter from Mrs. Burrows.

The July Expenses/Revenue Reports were distributed. Both show favorable figures.

The letter from BAC-Killam regarding the power lines at Gregg Lake Bridge was noted. PSNH is required to absorb the cost of moving the power lines therefore there will be no cost to the Town.

The following meeting schedule was outlined:

Wednesday August 6th: 2PM - DES visit to A.R.T.S at A.R.T.S.
Thursday August 7th: 9AM - Engineer/Whitcomb regarding Pre Construction at Town Hall
Monday August 11th: 5:30PM - Aiken Feasibility Committee with Jim Garvin, Library, and Grapevine to be held at the Library.
Tuesday August 19th: 8AM - Report by Dufresne/Henry about study on landfill site held at Bennington Town Hall.
Saturday August 23rd: 9AM - State called Public Hearing regarding boat limits at Gregg Lake to be held at Town Hall.

The meeting adjourned at 7:30 PM.

Respectfully submitted by Philip T. Dwight.
