After reviewing several applications and interviewing four, the Rec Committee has chosen Celeste Luenetta from Francestown as the new Recreation Coordinator, she is expected to begin on May 1st.

After a brief discussion with Mr. Harding regarding concerns with the proposed remodeling/addition to the Elementary School, Selectman Dwight suggested a meeting with Superintendent Keith Burke, Rec Committee Members, Selectmen and the School Board Representatives to discuss what their plans are and how the town will fit into them. Selectman Dwight will contact the above people and arrange a meeting date.

Mr. Harriman approached Selectman Dwight and stated that he felt that he shouldn't be taxed on his 2000 subdivided lots since he didn't receive approval from the State until after April 1st. Selectman Dwight spoke with the Town Attorney who stated that any lots created by subdivision will become lots of record as soon as the Planning Board approves them.

An abutter to the Brissette property on Goodell Road sent a complaint to the Selectmen stating that there were numerous unregistered vehicles, one that was over turned in the brush pile and other debris on the lot. A notice of violation was sent with a clean up date of April 30, 2001.
