**TOWN OF ANTRIM
BOARD OF SELECTMEN'S MEETING MINUTES
JUNE 25, 2001**

PRESENT: Chairman Eric Tenney, Selectman Phil Dwight, Selectman Dave Penny and Sherry Miller.

6:30 p.m. Meeting called to order –

2001-2002 Oil needs –

We have received bids from three different oil companies for the purchase of oil for the year 2001-2002. The Contoocook Valley School District has decided to go with Irving out of Concord, NH. After a brief discussion the Selectmen unanimously agreed to go with a local company (Rymes) at a price of .98.

A.R.T.S. –

Bill Lang had stated that the person who picks up our scrap metal was no longer interested in picking it up. D.C. Slocumb, who currently hauls away our cardboard, etc. was contacted and he is willing to put one of his trailers at the Transfer Station and haul away the scrap metal for approximately \$100 a load more than the previous person. This will cost about \$500 a year.

There was a brief discussion regarding the current costs for dropping off appliances. D.C. Slocumb will not accept appliances unless the freeon is removed. Selectman Dwight spoke with Bill Reid who stated their Road Agent removes all freeon for a fee of \$6.00. Contact will be made to see if he could also provide Antrim with this service. A new fee schedule was unanimously approved.

7:00 p.m. – 7:15 p.m. Non-Public Session to discuss a delinquent tax issue –

Tri-Town Meeting –

The Selectmen from Antrim, Bennington and Frankestown will meet on July 18, 2001 at 6:00 p.m. to discuss future excavation. The meeting will be at the Bennington Town Hall. This date is subject to change.

The Parks & Rec. forwarded a request for use of Shea Field for a circus. The Selectmen unanimously agreed that they couldn't make a decision without more information. The request was referred back to the Parks & Rec. Committee.
