PRESENT: Chairman Dave Penny, Selectman Mike Genest, Selectman Bill Prokop and Sherry Miller.

7:00 p.m. Meeting called to order –

7:00 p.m. Marsha Morrow / Brian Brown

Marsha Morrow, a reporter with the Monadnock Ledger met with the Selectmen to discuss her concerns with the Police Department not providing all information in the weekly police log. Chief Brown stated that the Officer that is on duty on Monday night's is responsible for putting together the police log and if the Officer is busy or unable to obtain specific information the log will not be ready on Tuesday. It has been Chief Brown's policy to review the log himself or have the Sergeant review it prior to it being released for publication. Chief Brown stated that sometimes it goes against his better judgement to put a lot of specifics in the log as this can hinder the investigation process. Chief Brown and the Selectmen acknowledge the concerns of the Monadnock Ledger and Marsha Morrow and will make every attempt to have the information available in a timely manner.
