Questions asked revolved around how co-pays and write-offs would be handled. Mr. Martin explained how the normal process will work and how we are required to follow Medicare guidelines and regulations. It was left that Bennington and Stoddard would get back to Antrim as to how they wish to handle the billing process as it pertains to their town. There being no further questions, the selectmen thanked everyone for their participation.

The selectmen received from Chief Brown the information on the completion of Officer Derek Browns probationary period and the final report from the Attorney Generals office on the Deering investigation that involved an officer from Antrim. The report concluded that everything was in order and all procedures were followed properly.

The selectmen were given the list of final names for membership on the Open Space Committee. The list will be reviewed and the committee will be finalized at the next meeting.

The selectmen will be attending a meeting with the Hillsborough board of selectmen on Wednesday night the 27th, at 7:00 p.m. in the Hillsborough District Court House. The purpose of this meeting is to discuss exploring the possibility of having a shared prosecutor.

The selectmen will set a date around the middle of November for a Public Information meeting on the ambulance billing plan for Antrim residents.
