

Minutes Executive Session under RSA 91A  
September 8, 1987

The Board met with Attorney Jeffrey Crocker to seek counsel on points of law as they apply to the hearing for a variance, case #108 Maja Gamitri Realty Trust. The Board asked questions about which Zoning amendment applies in this case, does a body of water constitute a boundary and what authority the Board has over the land located in Hillsborough. Attorney Crocker will draft a letter to the Board which will address these problems.

Due to the complexity of the problem and the research needed to make an informed decision the Board will continue deliberations October 6, 1987 at 7:30 P.M.

Respectfully submitted,

Patricia Hammond Grant, Clerk  
Antrim Board of Adjustment
