Pipeline Discussion:

Present: Lindsey Sundberg, Lorin Johnson, Cinda Warren Joyce, and Pat Stewart

Discussion on what would be necessary to stop the pipeline. Their main point was to follow the Deerfield MA decision/letter. It's a boiler plate letter that should be followed exactly.

Lindsey made the point that there are "Pro Bono" lawyers we should use for this process to save costs. Glenn noted that our attorney needs to review all documents we sign.

Rick will present the Deerfield MA letter/decision to Debbie (Town Counsel) for her review. Will include the lawyers name and number so she can contact him if necessary.

Glenn said he will try to have the members informed of all materials they can read and hopefully be able to vote at the next BOH meeting in January.

Lindsey, Cinda, and Pat expressed their concern about the pollutions produced by the production of raw gas.

Glenn stated that it is about everyone being concerned about their environment and health issues that could be damaged from all this production and construction.
