 - a. 6 Ellis Drive , Lot #1
6. 6:35pm, Opened hearing for Camp Winnekeag – 257 Ashby Road.

In discussion the board felt that the camp could continue using the existing septic system for the current camp set-up. A new septic system would be installed for the new construction area. A separate permit would be requested for the new construction area and the existing camp area. We would also want the current existing septic system to receive a Title Five inspection every five (5) years.

The ABOH January 7th, 2015 meeting adjourned at 7:15 PM.

Respectfully submitted,
Patrick Durkee
Acting Secretary, ABOH
