

**TOWN OF ASHBURNHAM  
MINUTES - JOINT MEETING OF THE  
BOARD OF SELECTMEN AND PUBLIC SAFETY BUILDING COMMITTEE  
FEBRUARY 9, 2006  
VMS BUILDING**

PRESENT: Jonathan Dennehy, Chair, Mark Carlisle, Clerk, Ron Reed, Member, Kevin Paicos, Town Administrator, Larry Barrett, Police Chief, Paul Zbikowski, Fire Chief, Rob Siano, Police Officer, Curtis Edgin, Architect and Ellen Holmes, PSB Committee member.

The meeting was called to order at 8:30 a.m.

A lengthy discussion occurred concerning the pros and cons of calling a second ballot question.

It was moved by Mark Carlisle and seconded by Jonathan Dennehy to place the Public Safety Building construction project debt exclusion override question back on the ballot for March 21, 2006 at J.R. Briggs Elementary School. Voting in favor: Mark Carlisle and Jonathan Dennehy. Opposed: Ron Reed.

Jonathan Dennehy noted that although he is opposed to revoting, he is supportive of the project's original concept, and he needs to put aside his personal feelings and do what's right for the community by exercising leadership.

Carlisle motioned to adjourn and was seconded by Reed. The motion carried.

The meeting adjourned at 10:30 a.m.

Respectfully submitted,

Kevin E. Paicos  
Town Administrator
