1. Steve Coswell, as a member of the Downtown Focus Committee will give a brief overview of what his Committee has in store for the center of Town and the importance of getting the DPW project underway.
2. Kyle Johnson will then discuss the DPW project much like the last presentation.
3. Joe Oliveira will then follow with a financial overview to include funding options and their effect on the tax rate and tax bills.

Ron Reed as Moderator will then open up to questions.

Doug Briggs and Sylvia Turcotte will be getting together individually with each presenter as needed to ensure everyone has what is needed for the meeting.

At 7:30 p.m. Kyle Johnson motioned to adjourn the meeting and was seconded by Janssens. Motion carried.

Respectfully submitted,

Douglas Briggs
Town Administrator
