I. ADDITIONAL DISCUSSION

Doug Briggs stated that without a quorum they would discuss how to proceed and go forward with the work at the Library.

He stated that Kelly Brown had given him three engineering companies to look at and Mark Carlisle stated that he also had one to look at but that maybe they could just contact Mitsubishi directly without having to go out to bid. He also mentioned Fujitsu as another option.

Doug Briggs called B2Q which was highly recommended by Kelly Brown. He left a message.

Mark Carlisle noted that they should also look at the insulation and suggested they contact Foam Run out of Ashby. Doug Briggs called and left a message at their number. There was also some discussion on contacting Icynene Spray Insulation and Mr. Briggs sent an email to reach out to them.

Mark Carlisle stated that he would look into the light issue at the Public Safety Building.

It was determined that the next meeting would be held on Thursday, September 3, 2015 at 8:00 a.m. at Town Hall.

At 9:50 a.m. the meeting was adjourned.

Respectfully submitted,
