

WATER-SEWER COMMINISSORS MINUTES

April 10, 2012

Present: Leo Collette, Charlie Packard, George Cornwall, Val Daigle, David Berger and Mark Petersen, Supt.

1. Leo called the meeting at 6 pm
2. The agenda of 4/10/12 was approved
3. Minutes of March 13, 2012 were approved as written by Charlie, Second by Val.
4. The new water tank will go on line Wednesday, April 18, 2012. The water department is trying to find the source of the pulsating. Hydrant gauges will put on the old water tank so they may watch to see if there is any difference in pressure. On Thursday there will be a pre bid for the rehab of the south tank. The water dept. has the plaque from the old water tank and is in safe keeping until a decision is made to where the plaque will be placed.
5. The Commissioners are still looking for an easier system from Carla to report monthly water and sewer receipts.
6. The fire and police depts. have requested a spotlight for the new antenna. The commissioners would like to know who will be paying for the lights and heat.
7. Only town residents may purchase fishing permits for Upper Naukeag.
8. Mrs. Karen Reed requested an abatement for her property located at 6 Gingerbread Lane. The Commissioners denied her request. The meter was checked out and is running correctly.
9. Cushing will be submitting plans for the water and sewer.
10. Westminster may be constructing a sewer plant. The Commission will check to see if this is a possibility for Ashburnham.
11. Charlie made a motion to adjourn seconded by George at 7:17 PM, unanimous

Respectfully submitted,

Elaine Cormier
