

WATER-SEWER COMMINISSORS MINUTES
July 17, 2012

Present: Leo Collette, Charlie Packard, George Cornwall, Val Daigle and Steve Nims, Supt.
Absent: Dave Berger

1. The water-Sewer Commissioners approved the agenda of July 17, 2012
2. Charlie made a motion to approve the minutes of June 12, 2012. Unanimous
3. The new water tank was turned on today at 10:45 AM. The tank read at 23 feet of water and when the when the pump kicked on at 1 PM the level dropped down 2 feet. Corey Hill pressure was at 131, the old tank 104. When the level of the tank hits 17 feet the pumps will kick on.
4. Val made a motion to have the hydrants painted prior to the 250 centennial, seconded by George unanimous.
5. The next Joint Water meeting will be at noon July 25, 2012
6. Elaine will send the Commissioners the Conflict of Interest information for them to fill out.
7. Leo passed out (see attached) the Water & Sewer Statistics for the pass 6 months.
8. Mr. Joseph McPeak, Chief Financial Officer from Cushing Academy met with the Commissioners to update the changes being made. Cushing is putting in plumbing items to conserve water. The school population has not changed. They still have 375 beds. Cushing is still planning on completing sewer for Old Nims Road.
9. The Commissioners approved the water ban notice.

Val made a motion to adjourn, second by George at 6:40 pm, unanimous.

Respectfully submitted,

Elaine Cormier, Admin Clerk
