COMMISSIONERS REPORTS

Leo told the commission that Steve Nims, Doug Briggs and himself would be attending an informal meeting with the City of Gardner, Mayor Hawke and Dane Arnold on November 14, 2012 to discuss H2S issue. He will give the commission an update at the next meeting. The City of Gardner may suggest that the town of Ashburnham to seek alternatives routes for sewer discharge.

Charlie indicated that the water main breaks may help to detect the unaccounted for loss water issue.

Leo spoke on the water ban. He stated that all the water ban signs have been removed around town. It has been stated that the ban does not have to be lifted and can remain in effect throughout the year.

Leo stated that they will be having a construction meeting with Tighe & Bond to discuss the remaining balance of funds left on the tank project and the expenditure of those funds. The commissioners also stated they are waiting on some pricing from Tighe & Bond.

Leo spoke on the granite post sign for the old tank site will be happening soon. The historic commission will suggest the location of the sign.
