**D2. FINANCIAL RESOLUTION #142 OF 2016**

**AUTHORIZING A TRANSFER FROM THE WATER FUND TO THE CAPITAL-WATER FUND FOR A GIS INTEGRATION UPGRADE PROJECT**

By Councilor Cuddy

September 22, 2016

**WHEREAS**, the City of Auburn owns and operates a Water Filtration Plant and Water Distribution System that services the residents of the City and wholesale customers throughout Cayuga County; and

**WHEREAS**, the City is responsible for the safekeeping and document storage of all water main record drawings, valve and hydrant inventory, and retail and wholesale service connections; and

**WHEREAS**, paper records of all system distribution valves, mains and hydrants primarily are maintained by the Water Maintenance Department and Engineering Department, and these maps are updated annually; however, they were originally created in the 1920s; and

**WHEREAS**, the City Engineering Department did enlist the services of a GIS consultant to establish a foundation for the City’s Geospatial Information System; and

**WHEREAS**, a master Geodatabase was created for the creation and sharing of maps and allows for the collection of field data; and

**WHEREAS**, building upon the City’s existing GIS system, the City’s Municipal Utilities Department desires to create a Survey Grade Water System Model of the entire Auburn water network, and a model will be created so that and City staff will gain access to and use the maps

and applications that will allow for field crews to make real time data updates to the system as replacements are made and will allow for keeping water distribution system records current; and

**WHEREAS**, the City’s existing asset system from paper maps created in the 1920s to a state-of-the art standard will be updated, and the GIS platform will be of utmost importance to the City Municipal Utilities Department in identifying every water system asset, assisting in updating the water system assets as they are repaired, and streamlining the water maintenance record keeping; and

**WHEREAS**, the total cost of the project is approximately \$150,000 with work to be commenced in October and November of 2016 and final mapping to be completed by the summer of 2017, and the project requires approximately \$150,000 to be transferred from the Water Fund to the Capital-Water Fund through use of the Water Fund balance.

**NOW THEREFORE BE IT RESOLVED**, that the Auburn City Council does hereby authorize a transfer to Capital - Water (F9812.904) of approximately \$150,000 funded through the use of fund balance to implement the Water System Wide GIS Integration Update Project (HF8340.440.IF).

**D3. CHANGE ORDER RESOLUTION #143 OF 2016**

**AUTHORIZING CHANGE ORDER #2 FOR THE NORTH DIVISION STREET DAM HYDROELECTRIC FACILITY**

By Councilor Carabajal

September 22, 2016

**WHEREAS**, pursuant to Bond Ordinance #4 of 2015, the City Council authorized \$5 million to cover the total project cost for the redevelopment of the North Division Street Dam Hydroelectric Facility; and

**WHEREAS**, the financing of this project is comprised of a \$1.2 million grant from the New York State Empire State Development Agency and the remaining \$3.8 million is provided for with financing using US Department of Treasury Clean Renewable Energy Bonds (CREBs); and

**WHEREAS**, the project has been broken up into various contracts including the actual construction being divided into two phases, and BVR Construction was awarded the Phase 1 work pursuant to Council Resolution #95 of 2016 in the amount of \$603,553, which includes the actual construction activities in the riverbed and in the hydro's power channel in preparation of a future Phase 2 contract, which will include the building of the new powerhouse and the installation of a new turbine, generator and electrical switchgear; and

**WHEREAS**, due to contractual and grant commitments requiring that the hydroelectric facility needs to be operational next year, certain tasks which were originally scheduled to be included in the future Phase II contract now need to be performed, and Change Order #2 is now required in the amount of \$379,924 including the following items:

- |    |   |              |
|----|---|--------------|
| 1. | Fabricate and install sluice gate   | \$ 17,850.00 |
| 2. | Fabricate and install steel frame and grating over channel with hand rail   | \$ 59,250.00 |
| 3. | Fabricate and install steel framing with deck pans and pour concrete deck   | \$131,750.00 |
| 4. | Fabricate and install steel walkway with grating and hand rail  | \$ 66,800.00 |
| 5. | Additional shotcrete applied on power channel south side's wall   | \$ 10,500.00 |
| 6. | Additional shotcrete applied on upstream side of the dam's north side   | \$ 6,600.00  |
| 7. | Additional estimated 120 cy of concrete needed to fill large crack in riverbed floor. Discovered beneath the dam after sludge was removed | \$ 87,174.00 |

; and

**WHEREAS**, the City's consultants, C&S Engineers, and City staff have reviewed these tasks and amounts and find them necessary and reasonable and have recommended approval of Change Order #2; and

**WHEREAS**, it is necessary that the Auburn City Council approves Change Order #2 to BVR Construction Company in the amount of \$379,924.

**NOW THEREFORE BE IT RESOLVED** that the Auburn City Council does hereby approve Change Order #2 whereby BVR Construction Company is awarded an additional \$379,924 for the tasks set forth in this Resolution; and

**BE IT FURTHER RESOLVED** that the cost of the Resolution in the amount of \$379,924 is to be charged to North Division Street Hydro Upgrade Account #ED 8292-440-HY.

**D4. COUNCIL RESOLUTION # 144 OF 2016  
SUPPORTING THE REDEVELOPMENT OF THE MELONE VILLAGE APARTMENT  
COMPLEX**

By Councilor Carabajal

September 22, 2016

**WHEREAS** the Auburn Housing Authority was created by the City of Auburn in 1948 to promote adequate, affordable housing, economic opportunity and a suitable living environment free from discrimination; and

**WHEREAS** the Auburn Housing Authority owns and manages the 188-unit Melone Village public housing complex, which has served low and moderate income households in the City of Auburn since it was constructed in 1955; and

**WHEREAS** Melone Village has received few meaningful improvements since it was built and is in substantial need of substantial rehabilitation if it is going to continue to provide low and moderate income households in the City of Auburn with safe, adequate, and affordable housing; and

**WHEREAS** Melone Village plays a central role in meeting the demand for affordable housing in the City of Auburn and the community desires that Melone Village be rehabilitated in lieu of developing affordable replacement housing; and

**WHEREAS** rehabilitation will improve safety, enhance the neighborhood, and improve the overall quality of life for the residents of Melone Village while ensuring a stable stock of affordable housing in the City of Auburn; and

**WHEREAS** the City Council, by separate resolution, has authorized a 40-year PILOT Agreement to ensure that Melone Village is economically viable and to promote affordable housing in the City of Auburn; and

**NOW THEREFORE, BE IT RESOLVED** that the City Council supports the efforts of the Auburn Housing Authority and AHA Development Corporation to secure State assistance in furtherance of the Melone Village redevelopment effort; and

**BE IT FURTHER RESOLVED**, that the redevelopment of Melone Village is consistent with and fulfills objectives set forth in the City of Auburn’s Community Development Block Grant Second Annual Action Plan, The 10-Year Plan to End Homelessness, and the Comprehensive Plan.
