To Whom It May Concern:

I, Steve Tardibone have been in the Real Estate business for over twenty years, as a Real Estate Agent for seven years and as a self employed Real Estate Investor for seventeen. I have two properties on Belmont Avenue and two others on Clark Street. I have properties in the City of Auburn and throughout Cayuga County. There is no question that the property values in the surrounding areas will go down due to a low income housing complex, as I am sure every educated person is aware of. Bringing in a low income housing complex in our backyards will not bring anybody's home value up. In my opinion, we do not need any more multi-family housing in this area or any other. Thank you.

Sincerely,
