SUPERINTENDENT OF SCHOOLS

September 16, 2014

Dear Parents, Staff and Concerned Citizens:

I am again pleased to communicate with you and hope you are enjoying a productive week.

As many of you are aware, the school district continues to maintain a comprehensive curriculum review and revision process that commenced approximately two years ago and has most recently gained national recognition for its content, rigor and format. This process has included all staff in the district in various capacities and has resulted in documents of which we can all be very proud.

The first of many revised curriculum documents will be presented to the members of the Board of Education this evening. The revised Kindergarten through Grade 8 English Language Arts and Mathematics curricula will be subject to review with the Board of Education with a possible formal action to approve the documents at its October meeting.

The proposed revised curriculum documents may be accessed on the school district's website using the following links:

Should you have any questions after reviewing these proposed, final draft documents, please feel free to contact Donna Nestler-Rusack, Ed.D., Assistant Superintendent for Teaching and Learning or me at (860) 404-4700.

I look forward to communicating with you again very soon.

Very truly yours,

Gary S. Mala
