

**AVON WATER COMPANY
WATER MAIN FLUSHING SCHEDULE**

The Company recommends that, customers in the affected area draw water for drinking prior to 7:30 a.m. and refrain from doing laundry, as there may be some discoloration of water during flushing. **All customers may experience lower pressures and/or pressure surges, periodic loss of water, and/or discolored water in all areas throughout the flushing period.** If your water is discolored, please let the cold water run for 10 – 15 minutes or until the water clears. Anyone with questions may call the Water Company at 860-678-0001. The flushing schedule is as follows:
