

## MEETING MINUTES

Barrington Conservation Commission

June 3, 2015 6 PM

Harland Dr

Site walk to examine possible impact of proposed building

PRESENT:                   John Wallace, Chairman  
                                  Marika Wilde  
                                  Ken Grossman

GUESTS:                   Bernie Kosar, representing applicant:  
                                  Lynda Brushett, Jay Corcoran, & Bill Totherow, neighbors

We observed the position of the proposed house on the lot relative to Nippo Lake and the wetlands containing a perennial stream that runs through the site.

Final recommendations to the Zoning Board of Adjustment will be made at the next regular meeting.

Respectfully submitted,  
John Wallace
