

## **Barrington Conservation Commission**

### **Agenda**

**June 24, 2014**

6:00pm

On Tuesday evening 6/24/2014 at 6pm, the Barrington Conservation Commission will hold a works session at the home of Alison Desmaris, 320 Hemlock Lane, Barrington. Its purpose is to look at the conservation goals that were established by citizens in the last Master Plan and Natural Resource Inventory and to set priorities for action.

Chair – John Wallace
