

## MEETING MINUTES

Barrington Conservation Commission  
January 14, 2016, 9 AM  
Tolend Rd., Substitute Rd.

Site walk to examine open space associated with Chestnut Forest subdivision

PRESENT: John Wallace, Chairman  
Alison Desmarais  
Susan Gaudiello  
Anne Melvin  
Dan Ayer

GUESTS: Scott Cole & ?, representing developer:  
Duany Hyde, Phil Auger, SELTNH

We parked along Tolend Rd., bushwhacked through the access to the open space and then walked along the existing woods road, examining the terrain and the steep slope down to the prime wetland.

We then drove to Substitute Rd. and walked along it, again noting the terrain and wetland.

Final recommendations to the Selectmen about this open space will be made at the next regular meeting.

Respectfully submitted,  
John Wallace
