RE: Land Use Presentation

On behalf of the Beacon Falls Conservation Commission, you are invited to attend a special presentation on Land Use on Monday December 7 at 7:00 p.m. in the Town Hall Assembly room.

Amy B. Paterson, Executive Director of the CT Land Conservation Council will be the guest speaker. Ms. Paterson will plan to address land easements, discuss the process and cost associated with updating deeds to ensure open space is preserved in perpetuity, discuss the role the CT Sitting Council and define potential liability of municipal commissions/boards as they serve in their appointed role. Holiday refreshments will be served.

Thank you and we look forward to seeing you on December 7.
