

Town of Becket
Energy Committee Minutes
June 4, 2015

In attendance: Committee members Cathy Defoe, Katherine Hoak, Al Blake. Garth [Klimchuck](#)

Meeting called to order at 10:07 by Cathy Defoe, Chairperson.

Community Solar

Committee reviewed [pre-approval](#) report from Eversource which indicated that Becket circuit was at capacity and pursuing a community Solar option within this circuit would not be economically feasible at this time

The following actions were agreed upon;

Cathy would contact Town of Washington to see if they had any potential sites

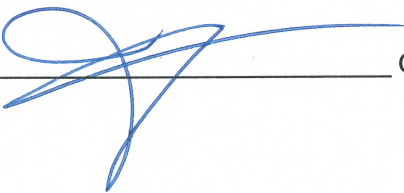

Garth would investigate if other nearby towns had circuits that were not at capacity

Garth agreed to investigate participation in Mass CEC RFI on community solar due on 6/11

The next meeting is scheduled for June 18, 2015 at Town Hall at 10:00am

At 10:40, Al Blake made a motion to adjourn the meeting, which was seconded by Cathy Defoe and passed unanimously.

Minutes respectfully submitted by Al Blake, Secretary

Chair
