

TOWN OF BECKET
ENERGY COMMITTEE MEETING

Date: November 17, 2016

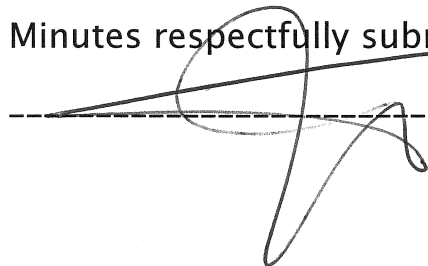

Time: 9:30 am

Location: Becket Town Hall, Becket

Attendance: Adele Levine (visitor,) Cathy DeFoe, Al Blake, Katherine Hoak, Ed Gibson, Garth Klimchuck (on phone)

1. The meeting was called to order at 9:32.
2. There were no minutes available from the last meeting.
3. Current business items:
 - a. Information Session follow up review
We have contracts from both Syncarpa and Nexamp available. Garth will follow up on Syncarpa. Nexamp is offering a 15% discount, lower than that offered by Syncarpa, but it could not be implemented until August, 2017. Ed will compare both to see if they are on the same page.
 - b. Coop Power makes a commitment to small projects. People at the Information Session had to let Coop know if they had interest in participating in a project; that would depend on others near them also participating.
 - c. We did not review information on Shaker Village.
 - d. The new roof is on Town Hall. A decision is to be made in putting solar panels on it.
4. New Items
When the town's website is updated, the mailing list made up of emails gathered at the last two Information Sessions will be included for dispersal of new information.
5. There was no more business presented.
6. The next Meeting date is December 15, 2016.
7. The meeting was adjourned at 10:04.

Minutes respectfully submitted by Katherine Hoak, Secretary
