Deer trail and the remainder of Long Bow East had material added and were raked and rolled.

An E-mail was received about the condition of Fairway Drive. Jaime asked Ernie to look at it and give an estimate of what it will cost to repair. This road is on our priority list.

Lakes Report:

The divers are pulling weeds from the middle of Long Bow Lake. Ken thinks it will take about 100 hours for a cost of approximately \$2,500. Note: the divers only pull from the center of the lakes, and some common shorelines. Lake front property owners have the options of leaving the weeds as is, pulling them themselves or hiring someone to pull for them. Ken thinks he will spend about \$4,500 Of the \$5,000 remaining for FY 16.
