

## Community Corrections Planning Committee Meeting Minutes – May 21, 2013

The meeting was called to order at 4:35 PM.

Members present: John H. Thomas, Stephen H. Nedeau, Edward D. Philpot Jr., Angela Bovill and Daniel Ward.

Absent: David Berry, Debra Shackett, Brian Loanes, Maggie Pritchard and Gary Goudreau.

**Approval of minutes:** M/Thomas, S/Nedeau to approve the 04/16/13 minutes as written. Unanimous. **Motion carries.**

**DHHS award:** Superintendent Ward reported that Captain David Berry won an award from the Department of Health and Human Services (DHHS). With this acknowledgement, it was said Belknap County is the model for the State and the DCYF Program which Captain Berry won the award for! Congratulations!

**Architectural and Engineering Bond:** The committee would like to set a date for trying to obtain a bond for the A & E study after the Ricci Greene Associates presentation to the delegation. They would like to involve Gary Goudreau in setting the preliminary numbers. Commissioners want to stress to the public that they are not satisfied with the \$42 million dollar figure; that they believe that this number can be reduced and the county can do better. They are not willing to live with that number, but all are in support of building a new facility, for less money.

**County Conversations:** Still being scheduled. So far, these have been great and the select boards/city councilmen have found them very informative.

**Adjourn:** With no further items to discuss, the meeting was adjourned by unanimous vote at 4:55 PM.

Respectfully submitted,

---
