

BELLINGHAM PLANNING BOARD

BELLINGHAM, MASS.

Meeting of December 19, 1957

Three members present. W. Bates  
H. Guerin  
F. Gladu

Water Commissioner Mr. Wilrose Dalpe and Mr. Bruno Santini attended to discuss the ~~water~~ service advisable for use in such a trailer camp. (Master meter recommended)

Also discussed subdivision not approved by our board and serviced by Water Dept. including Mr. Padula's plan and Robert St.

Motion to report to Town Accountant our inventory as of Dec. 31, 1957

Agreed to pay Woonsocket Typewriter Co. \$ 74.95 for map cabinet and Mason & Preston \$.60 for office supplies.

This leaves a balance of \$.88 in the treasury.

Four plans taken in by Schofield Engineers. Such plans did not require approval of board. Signed by members present.

Master Meter installed at Packard Mills. Cost \$1,380.00 and paid by Water Dept. Water Commisioner feels that the cost for a master meter for trailer camp should be paid by trailer camp owner.

Adjourned at 10:30 P.M.  
until January 7, 1958

Ferdinand Gladu  
Clerk

*Windsor A Bates*
