

BELLINGHAM PLANNING BOARD

BELLINGHAM, MASS.

Meeting of August 7, 1958

Three members were present: H. Cook, Jr.
W. Bates
H. Guerin *

The board authorized the release of the money held in escrow by the bank of the developer of Arrowhead Road and designated as complete 350 feet of said road from the s/w side of Cedar Hill Road to the southerly boundary of lot 46. The same action was taken on Cedar Hill Road for a distance of 700 feet entering from Farm Street.

The board requested the clerk to make an entry into the minutes of the meeting showing that the board had authorized the release of the money held in escrow by the bank of the developer of Cedar Hill Road and had designated as complete 1050 feet of said road from Hartford Avenue at an earlier date. This action had been taken in July but had been omitted from the previous minutes by mistake.
