

BELLINGHAM PLANNING BOARD

BELLINGHAM, MASS.

Meeting of September 4, 1958

Three members were present: W. Bates
A. Staves
H. Cook, Jr.

Mr. Louis Smith from the State Planning Board was present. Mr. Smith gave a very interesting talk on the functions of a town planning board. He explained the subdivision control law as it applies to small towns such as ours.

He told us that planning boards often prepare maps of towns. He told us that his department could render us a lot of assistance in this field.

The board requested the clerk to send a letter to Mr. Smith's office authorizing him or his department to prepare a base map of the Town of Bellingham, and to inform them to bill the board for same.
