

BELLINGHAM PLANNING BOARD

BELLINGHAM, MASS.

Meeting of September 18, 1958

One

~~(XX)~~ members were present: Harold Cook, Jr.

No business was transacted on this evening because of the lack of a quorum.

Mr. Thayer, however, came to the meeting to give the board a copy of a plan on Depot Street (lots sold to Larouso). Apparently, this plan had been previously submitted to the board for its approval, and he was just coming over to give the board a copy of same.
